## INDEPENDENT AUDITORS' REPORT

To the Honorable Chair and Members of the Governing Board  
Hawthorne Community Redevelopment Agency

We have audited the accompanying financial statements of the governmental activities and each major fund of the Hawthorne Community Redevelopment Agency, a component unit of the City of Hawthorne, California, as of and for the year ended June 30, 2007, which collectively comprise the Agency's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Hawthorne Community Redevelopment Agency's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the Redevelopment Agency of the City of Hawthorne as of June 30, 2007, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards* issued by the Comptroller General of the United States, we have also issued our report dated November 6, 2007, on our consideration of the Hawthorne Community Redevelopment Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

The accompanying management's discussion and analysis is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted primarily of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

To the Honorable Chair and Members of the Governing Board  
Hawthorne Community Redevelopment Agency

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Agency's basic financial statements. The combining project area statements and computation of low and moderate income housing funds excess/surplus are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT  
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH GOVERNMENT AUDITING STANDARDS

To the Honorable Chair and Members of the Governing Board  
Hawthorne Community Redevelopment Agency

We have audited the financial statements of the governmental activities and each major fund of the Hawthorne Community Redevelopment Agency as of and for the year ended June 30, 2007, which collectively comprise the Hawthorne Community Redevelopment Agency's basic financial statements and have issued our report thereon dated November 6, 2007. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Hawthorne Community Redevelopment Agency's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Hawthorne Community Redevelopment Agency's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Hawthorne Community Redevelopment Agency's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Hawthorne Community Redevelopment Agency's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the Hawthorne Community Redevelopment Agency's financial statements that is more than inconsequential will not be prevented or detected by the Hawthorne Community Redevelopment Agency's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Hawthorne Community Redevelopment Agency's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

To the Honorable Chair and Members of the Governing Board  
Hawthorne Community Redevelopment Agency

### Compliance and Other Matters

As part of obtaining reasonable assurance about whether the financial statements of the Hawthorne Community Redevelopment Agency are free of material misstatements, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. Such provisions included those provisions of laws and regulations identified in the Guidelines for Compliance Audits of California Redevelopment Agencies, issued by the State Controller and as interpreted in the Suggested Auditing Procedures for Accomplishing Compliance Audits of California Redevelopment Agencies, issued by the Governmental Accounting and Auditing Committee of the California Society of Certified Public Accountants. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed one instance of noncompliance or other matters that are required to be reported under *Government Auditing Standards* issued by the Comptroller General of the United States as follows:

Section 33334.16 of the Health and Safety Code requires a redevelopment agency to initiate activities to develop properties acquired with Low and Moderate Income Housing Funds within five years from the date of acquisition. If development activities have not begun within this period, the legislative body may adopt a resolution extending the period for one time, not to exceed five years. The Agency had acquired land with Low and Moderate Income Housing monies; however, activities have not been initiated to develop the property within five years from acquisition and the Agency has not timely requested the prescribed extension as of June 30, 2007. This situation has been brought to the attention of the Agency.

This report is intended for the information of the Governing Board, management and the State Controller. However, this report is a matter of public record and its distribution is not limited.

## HAWTHORNE COMMUNITY REDEVELOPMENT AGENCY

### MANAGEMENT'S DISCUSSION AND ANALYSIS

As management of the Community Redevelopment Agency of the City of Hawthorne (Agency), we offer readers of the Agency's financial statements this narrative overview and analysis of the financial activities of the Agency for the fiscal year ended June 30, 2007.

#### FINANCIAL HIGHLIGHTS

- The Agency's total liabilities exceeded its assets at the end of the fiscal year 2006/07 by \$114.3 million (net assets). This is an increase of \$45.6 million from that of the prior fiscal year-end. This was in large due to the issuance of new debt and the restatement of existing long-term debt.
- During the year, the Agency generated revenues of \$6.7 million. This was an increase of \$1.3 million from the prior fiscal year.

#### Overview of the Financial Statements

This discussion and analysis are intended to serve as an introduction to the Agency's basic financial statements. The Agency's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements.

#### Government-wide financial statements

The government-wide financial statements are designed to provide readers with a broad overview of the Agency's finances, in a manner similar to a private-sector business.

The statement of net assets presents information on all of the Agency's assets and liabilities, with the difference between the two reported as net assets. Over time, increases or decreases in net assets may serve as a useful indicator of whether the financial position of the Agency is improving or deteriorating.

The statement of activities presents information showing how the government's net assets changed during the most recent fiscal year. All changes in net assets are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes).

Both of the government-wide financial statements distinguish functions of the Agency that are principally supported by taxes and intergovernmental revenues (government activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the Agency include general government, community development and interest on long-term debt.

#### Fund financial statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Agency, like other local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the Redevelopment Agency are governmental funds.

**Hawthorne Community Redevelopment Agency  
Management's Discussion and Analysis**

---

**Governmental funds**

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide statements, governmental fund financial statements focus on near-term and outflows of spendable resource, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The Agency maintains five individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the funds, all of which are considered to be major funds.

**Notes to the financial statements**

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statement.

**Government-wide Financial Analysis**

Our analysis focuses on the net assets and changes in net assets of the Agency's governmental activities.

	<b>Net Assets</b>	
	<b>Governmental Activities</b>	
	<b>2006/07</b>	<b>2005/06</b>
	<b>\$'000</b>	<b>\$'000</b>
Current & Other Assets	12,601.3	7,110.0
Capital Assets	1,702.5	1,103.9
<b>Total Assets</b>	<b>14,303.8</b>	<b>8,213.9</b>
Long-term Debt	126,782.9	76,365.2
Other Liabilities	1,832.4	584.6
<b>Total Liabilities</b>	<b>128,615.3</b>	<b>76,949.8</b>
<b>Net Assets</b>		
Restricted Funds	11,225.4	8,553.4
Unrestricted Funds	(125,537.0)	(77,289.3)
<b>Total Net Assets</b>	<b>(114,311.6)</b>	<b>(68,735.9)</b>

The Agency's net assets decreased from \$(68.7) million to \$(114.3) million. This decrease comes from the change in net assets as recorded in the Statement of Activities and flows through the Statement of Net Assets. The majority of this decrease in net assets was due to the increase in the amount of the long-term debts payable.

**Hawthorne Community Redevelopment Agency  
Management's Discussion and Analysis**

**Government Activities**

Governmental activities decreased the Agency's net assets by \$45.6 million. Key elements of the change are as follows:

	<b>Changes in Net Assets Governmental Activities</b>	
	<b>2006/07 &amp;'000</b>	<b>2005/06 &amp;'000</b>
<b>Revenues:</b>		
<b>General Revenues:</b>

<b>Total Expenses</b>	<b>52,346.8</b>	<b>11,619.4</b>
<b>Decrease in Net Assets</b>	<b>(45,575.7)</b>	<b>(6,215.2)</b>

The Agency's total revenues were \$6.7 million, while total expenses of all programs and services were \$52.3 million.

The following presents the cost of each of the Agency's programs—general government, community development, interest on long-term debt, contribution to other governments and other—as well as each program's *net* cost (total cost less revenues generated by the activities). The net cost is the financial burden that was placed on the Agency's taxpayers by each of these functions.

	<b>Net Cost of Agency's Governmental Services</b>	
	<b>2006/07 \$'000</b>	<b>2005/06 \$'000</b>

### **Financial Analysis of the Agency's Funds**

The Agency uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental funds. The focus of Agency's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the Agency's financing requirements. In particular, unreserved fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, the Agency's governmental funds reported combined ending fund balances of \$11.4 million.

### **Capital Outlay and Long-Term Debt**

#### **Capital Outlay**

The Agency's capital assets comprise of land held for resale by the Agency's low & moderate income housing fund.

#### **Long-term debt**

At the end of the current fiscal year, the Agency had total bonded debt outstanding of \$45.4 million.

### **CONTACTING THE CITY'S FINANCIAL MANAGEMENT**

This financial report is designed to provide our citizens, taxpayers, customers, investors, and creditors with a general overview of the Agency's finances and to show the Agency's accountability for the money it receives. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Agency's Finance Department, at the City of Hawthorne, 4455 West 126<sup>th</sup>. **Net change in fund balances - total governmental funds** **\$ 3,699,102**

Amounts reported for governmental activities in the statement of activities are different because:

Repayment of bond principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net assets. 3,236,492

Bond issuance costs is an expenditure in the governmental funds, but it is deferred charges in the statement of net assets:

    Debt issuance costs on bonds issued 1,680,920  
    Amortization for current fiscal year (68,992)

Unamortized premium or discounts on bonds issued are revenue or expenditures in the governmental funds, but these are spread to future periods over the life of the new bonds:

    Current year original issuance premium on bonds issued (887,904)  
    Amortization for current fiscal year 27,018

Proceeds of debt is revenue in the governmental funds, but these are additions to the statement of net assets. (33,462,492)

Defeasance of debt is expenditures in the governmental funds, but these are spread to future periods:

    Amortization period over defeased bond lives computed through end of fiscal year (9,367)

Expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds:

**NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2007**

**I. SIGNIFICANT ACCOUNTING POLICIES**

**Note 1: Organization and Summary of Significant Accounting Policies**

**a. Description of the Reporting Entity**

The Hawthorne Community Redevelopment Agency is a component unit of a reporting entity that consists of the following primary and component units:

Reporting Entity:

Primary Government:

City of Hawthorne

Component Units:

Hawthorne Community Redevelopment Agency

Hawthorne Parking Authority

Hawthorne Housing Authority

Hawthorne Public Financing Authority

The attached basic financial statements contain information relative only to the Hawthorne Community Redevelopment Agency as one component unit, which is an integral part of the total reporting entity. They do not contain financial data relating to the other component units.

The Redevelopment Agency was established on July 24, 1968, pursuant to the State of California Health and Safety Code, Section 33000. Its purpose is to prepare and carry out plans for the improvement, rehabilitation and development of blighted areas within the territorial limits of the City of Hawthorne. The following project areas have been formed:

**Hawthorne Plaza Project**

The Hawthorne Plaza is a regional shopping center, which was developed by a limited partnership consisting of two general partners and a limited partner. Actual construction of the center began in May 1975, with the completion of major construction in February 1977.

In 1974, the City's Parking Authority issued bonds to provide public parking facilities for the Hawthorne Plaza shopping center.

**Hawthorne Redevelopment Project Two**

Project Area II was formed in November 1984. The majority of the project area is commercial and industrial frontage along major arterials in the City of Hawthorne. The predominant land uses in the area are commercial and industrial.

In addition, the Agency operates eight residential units on Grevillea Avenue in the City of Hawthorne. These rental units are rented to low to moderate income households.

**Hawthorne Community Redevelopment Agency  
Notes to Financial Statements (Continued)**

**Note 1: Organization and Summary of Significant Accounting Policies (Continued)**

**b. Government-Wide and Fund Financial Statements**

The government-wide financial statements (i.e., the statement of net assets and the statement of activities) report information on all of the nonfiduciary activities of the primary government and its component units. For the most part, the effect of interfund activity has been removed from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support. Likewise, the primary government is reported separately from certain legally separate component units for which the primary government is financially accountable.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include: 1) charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given function or segment, and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds and fiduciary funds even though the latter are excluded from the government-wide financial statements. Major individual governmental funds are reported as separate columns in the fund financial statements.

**c. Measurement Focus, Basis of Accounting and Financial Statement Presentation**

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Property taxes, franchise taxes, licenses and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. Only the portion of special assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period. All other revenue items are considered to be measurable and available only when cash is received by the government.

**Hawthorne Community Redevelopment Agency  
Notes to Financial Statements (Continued)**

**Note 1: Organization and Summary of Significant Accounting Policies (Continued)**

The Agency reports the following major governmental funds:

**Capital Projects Funds**

- Project Area I Fund consists of the Hawthorne Plaza Mall and is used to account for redevelopment projects in this area.
- Project Area II Fund consists of approximately 960 acres in the southwest section of the City, including the Gateway and Oceagate development projects.
- The Low and Moderate Housing Fund is used to account for the 20% set aside of the revenues generated by property tax increment for low and moderate income housing needs.

**Debt Service Funds**

- Project Area I Fund accounts for the debt service associated with Hawthorne Plaza's Tax Allocation Bonds.
- Project Area II Fund accounts for the debt service associated with Project Area II Tax Allocation Bonds.

When both restricted and unrestricted resources are available for use, it is the government's policy to use restricted resources first, and then unrestricted resources as they are needed.

**d. Assets, Liabilities and Net Assets or Equity**

**1. Investments**

Investments for the Agency are reported at fair value. The State Treasurer's Investment Pool operates in accordance with appropriate state laws and regulations. The reported value of the pool is the same as the fair value of the pool shares.

**2. Land Held for Resale**

The Agency's investment in land held for resale is stated at cost. If a disposition and development agreement has been entered into specifying a lower value for the land, then the difference between cost and this value has been reflected as an allowance for decline in value of land held. Fund balances are reserved in amounts equal to the carrying value of the land held for resale because such assets are not available to finance current operations.

**3. Receivables and Payables**

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the non-current portion of interfund loans). All other outstanding balances between funds are reported as "due to/from other funds." Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances."

**Hawthorne Community Redevelopment Agency  
Notes to Financial Statements (Continued)**

**Note 1: Organization and Summary of Significant Accounting Policies (Continued)**

Advances between funds, as reported in the fund financial statements, are offset by a fund balance reserve account in applicable governmental funds to indicate that they are not available for appropriation and are not expendable available financial resources.

All trade and property tax receivables are shown net of an allowance for uncollectibles.

Property tax revenue is recognized in the fiscal year for which the taxes have been levied providing they become available. Available means then due, or past due and receivable within the current period and collected within the current period or expected to be collected soon enough thereafter (not to exceed 60 days) to be used to pay liabilities of the current period. The County of Los Angeles collects property taxes for the Agency. Tax liens attach annually as of 12:01 A.M. on the first day in January preceding the fiscal year for which the taxes are levied. The tax levy covers the fiscal period July 1 to June 30. All secured personal property taxes and one-half of the taxes on real property are due November 1; the second installment is due February 1. All taxes are delinquent, if unpaid, on December 10 and April 10, respectively. Unsecured personal property taxes become due on the first of March each year and are delinquent on August 31.

**4. Prepaid Items**

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

**5. Long-Term Obligations**

In the government-wide financial statements, long-term debt and other long-term obligations are reported as liabilities in the governmental activities statement of net assets. Bond premiums and discounts, as well as issuance costs, are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are reported as deferred charges and amortized over the term of the related debt.

In the fund financial statements, governmental fund types recognize bond premiums and discounts as well as bond issuance costs during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

**6. Fund Equity**

In the fund financial statements, governmental funds report reservations of fund balance for amounts that are not available for appropriation or are legally restricted by outside parties for use for a specific purpose. Designations of fund balance represent tentative management plans that are subject to change.

II. STEWARDSHIP

Note 2: Stewardship, Compliance and Accountability

a. Budgetary Data

General Budget Policies

The Governing Board approves each year's budget submitted by the Executive Director prior to the beginning of the new fiscal year. The Board conducts public meetings prior to its adoption. The budget is prepared by fund, function and activity, and includes information on the past year, current year estimates and requested appropriations for the next fiscal year. Supplemental appropriations, when required during the period, are also approved by the Board. Intradepartmental budget changes are approved by the Executive Director. In most cases, expenditures may not exceed appropriations at the departmental level. At fiscal year-end, all operating budget appropriations lapse. During the year several supplementary appropriations were necessary.

Encumbrances

Encumbrances are estimations of costs related to unperformed contracts for goods and services. These commitments are recorded for budgetary control purposes in the governmental funds. Encumbrances outstanding at year-end are reported as a reservation of fund balance. They represent the estimated amount of the expenditure ultimately to result if unperformed contracts in-process at year-end is completed. They do not constitute expenditures or estimated liabilities.

Budget Basis of Accounting

Budgets for governmental funds are adopted on a basis consistent with generally accepted accounting principles (GAAP).

III. DETAILED NOTES ON ALL FUNDS

Note 3: Cash and Investments

Cash and investments reported in the accompanying financial statements consisted of the following:

Cash and investments pooled with the City	\$ 8,718,631
Cash and investments with fiscal agent	<u>1,702,450</u>
	<u>\$ 10,421,081</u>

The Agency's funds are pooled with the City of Hawthorne's cash and investments in order to generate optimum interest income. The City has implemented GASB Statement No. 40, *Deposit and Investment Risk Disclosures*. This pronouncement is an amendment to GASB Statement No. 3. GASB No. 40 establishes and modifies disclosure requirements related to deposit and investment risks. The information required by GASB Statement No. 40 related to authorized investments, credit risk, etc., is available in the annual report of the City.

Notes to Financial Statements (Continued)**

**Note 4: Loans Receivable**

On October 1, 2004, the Agency issued a promissory note for \$250,000, evidenced by an Agency Loan Agreement with Southern California Housing Development Corp and a Deed of Trust relating to the Hawthorne Terrace Project. Funds were advanced during February 2006, to finance operating reserves of the Project. The note bears interest that varies according to the bank account depository rate and at no time shall the total amount outstanding under the note be less than the bank account balance. The note matures at the earlier of (a) the fifty-fifth (55th) anniversary of the date of the note (October 2059), (b) the date the property is sold or refinanced without Agency approval, or (c) an event of default by the borrower. The maturity date may be extended at the discretion of the Agency. As of June 30, 2007, the balance is \$272,688.

**Note 5: Long-Term Debt**

- a. A description of long-term debt outstanding (excluding defeased debt) of the Agency as of June 30, 2007, follows:

**Tax Allocation Bonds**

**1998 Tax Allocation Refunding Bonds**

The 1998 Tax Allocation Refunding Bonds bear interest ranging from 4.20% to 5.24% per annum and payable on March 1 and September 1. Principal payments ranging from \$270,000 to \$675,000 are due annually on September 1, beginning in the year 2005 through the year 2024. The balance at June 30, 2007, amounted to \$8,215,000.

**2001 Tax Allocation Refunding Bonds**

The 2001 Tax Allocation Refunding Bonds bear interest ranging from 5.500% to 6.875% per annum and payable on January 1 and July 1. Principal payments ranging from \$145,000 to \$410,000 are due annually on July 1, beginning in the year 2003 through the year 2020. The balance at June 30, 2007, amounted to \$3,905,000.

**2004 Tax Allocation Refunding Bonds**

In December 2004, the Community Redevelopment Agency of the City of Hawthorne issued \$4,225,000 Project Area II Tax Allocation Refunding Bonds, Series 2004 for the purpose of refunding, on a current basis, the Agency's outstanding Project Area II Tax Allocation Refunding Bonds, Series 1994. The bonds consist of \$2,725,000 serial bonds with annual maturity dates from September 1, 2007 through September 1, 2013, bearing interest ranging from 3.0% to 3.5%, and \$1,500,000 term bonds bearing interest at 4.5% and maturing September 1, 2024. Interest is payable semiannually beginning March 1, 2005. Principal payments ranging from \$75,000 to \$330,000 are due annually on September 1, beginning in the year 2007 through the year 2024. The balance at June 30, 2007, amounted to \$4,225,000.

**Hawthorne Community Redevelopment Agency  
Notes to Financial Statements (Continued)**

**Note 5: Long-Term Debt (Continued)**

**2006 Tax Allocation Bonds**

In July 2006, the Agency issued Project Area No. 2 Tax Allocations Bonds, Series 2006 in the amount of \$29,085,000. The proceeds of the Bonds were used to (a) provide funds to prepay the Public Funding Requirement of the Agency under the Owner Participation Agreement (OPA) dated September 26, 2003, and as amended by the Second Implementation Agreement as of July 11, 2006, with SAMS Venture, LLC, (b) provide for capitalized interest on the Bonds for a limited period of time, (c) obtain a Reserve Account Surety Bond, and (d) pay the costs of issuing the Bonds. The Bonds are payable from and secured by tax increment revenues arising from Project Area No 2 on a parity basis with the 1998 Bonds and the 2004 Bonds. The bonds consist of \$3,950,000 serial bonds with annual maturity dates from September 1, 2011 through September 1, 2016, bearing interest ranging from 4.0% to 4.125%; \$9,485,000 term bonds bearing interest of 5.0% and maturing September 1, 2026; and \$15,650,000 term bonds bearing interest of 5.25% and maturing September 1, 2036. The balance at June 30, 2007, amounted to \$29,085,000.

**Note Payable**

Mission-Oceangate note - An installment note dated April 12, 1999, paying interest at 7.5%. The note is payable in ten annual installments of \$149,687. The principal amount of this note represents the agreed-upon amount of sales tax generation and Mello-Roos reimbursement due and unpaid through June 30, 1998. The balance at June 30, 2007, amounted to \$268,772.

AutoNation / Costco note - A first implementation agreement to a Disposition and Development Agreement (DDA) was entered with certain developers in August 2000, paying interest at 9.0%. The developers had advanced to the Agency \$5,500,000 and cancelled a Costco note for approximately \$7,000,000. In return, the Agency executed a promissory note to the developers for \$12,500,000. The repayment of this note consisted of Mello-Roos tax refund, sales tax and transient occupancy tax refund to the extent these taxes are generated within the project site. The balance at June 30, 2007, amounted to \$20,285,438 including accrued interest of \$7,785,438.

**Loans from City**

During the current and previous fiscal years, the City of Hawthorne has made loans to the Agency. These loans bear interest at rates equivalent to the rate of return on investments in LAIF. The City may demand payment of all or a portion of the principal balance at any time as funds become available; however, such demands are not anticipated within the next fiscal year. As of June 30, 2007, loans to and accrued unpaid interest owed on those loans was \$60,144,634.

The future debt service requirements for the note payable and the City loans are not disclosed because they do not have determinable payment dates, amounts or interest rates.

- d. In prior years, the Agency defeased certain tax allocation bonds by placing the proceeds of new bonds in an irrevocable trust to provide for all future debt service payments on the old bonds. Accordingly, the trust account assets and the liability for the defeased bonds are not included in the Agency's financial statements.

IV. OTHER DISCLOSURES

**Note 6: Developer / Owner Agreements**

The Agency has entered into Owner Participation Agreements to attract new business to the City of Hawthorne. The Agency's significant commitments with developers are as follows:

Oceangate Development

The developer is reimbursed 25% of the sales tax generated from parcels two to four and 40% from parcels five and six for 15 years, commencing January 1, 1999. All Mello-Roos taxes received in excess of \$506,800 are refunded to the developer until the 1998 Special Tax Refunding bonds are fully repaid and all tax increments received, except from parcel one, less the low and moderate income housing set aside amount which is refunded to the developer for a period of 30 years.

**Note 7: Low and Moderate Income Housing**

As required by Section 33334.2 of the State of California Health and Safety Code, 20% of tax increment received by the Agency, including interest earned, was set aside for the rehabilitation/replacement of low and moderate income housing displaced within Project Area II. The Agency has deferred its required set aside of 20% of tax increment received for the Plaza Project Area, resulting in a deficit of \$2,945,162 as of June 30, 2007.

**Note 8: Insurance**

The Agency, through the City, is partially self-insured for general liability and workers' compensation claims. In connection with its risk management program, the City has obtained excess insurance coverage for general liability and workers' compensation claims (\$250,000 self-insured retention level). Independent Cities Risk Management Authority (ICRMA) provides excess coverage to \$10,000,000 for general liability claims, while National Union Fire of Pittsburgh provides a second layer of general liability excess coverage in the amount of \$10,000,000. General Re-insurance Company provides excess coverage to \$3,000,000 for workers' compensation claims (\$500,000 self-insured retention level). In addition, General Re-insurance Company provides excess coverage to \$1,000,000 for employer's liability claims. Excess liability insurance coverage is obtained through membership in the Independent Cities Risk Management Authority (the Authority), a joint powers authority of medium size California municipalities. The Authority pools catastrophic general liability losses. As a result, each member's share of pooled costs will depend on the catastrophic losses of all members. In addition, the cost to a member city will also depend on the member's own loss experience.

In order to provide funds to pay claims, the Authority assesses each member annually on an actuarial determined amount. To provide a reserve fund, the Authority issued \$30,200,000 of Certificates of Participation in fiscal year 1987.
