

## SMALL BUSINESS RESILIENCY

Helping Small Businesses Adapt to Uncertainty

The California Green Business Network quickly switched to virtual assistance for small businesses and is helping them adapt during this challenging economic time. We will be critical in helping SMBs increase efficiency, bring in customers, and cut costs so they can bounce back.

### 1. Increased Rebates = Increased Cost Savings

New Green Business Rebate Program Launched

### 2. Virtual Site Visits = Technical Assistance

### 3. Rapid Response = Business Resources
