

Save money.

Be a green leader.

Increase business.

**The City of Hawthorne
wants to recognize
your business for
BEING GREEN.**

Join a network of more than 4,000 prominent and respected businesses in Hawthorne and across California taking steps toward sustainability.

Recognition

Your business will appear in our Green Business Directory that will be seen by local consumers.

Savings

Green businesses implement practices that lead to cost savings in energy, water and garbage bills.

Support

Certification includes free, on-site green technical and financial assistance.

Join us today

Make a difference through responsible, sustainable business practices that conserve California's valuable resources.
