

# HAWTHORNE PARKS & RECREATION FOUNDATION

Founded in 1984, the purpose of the Hawthorne Parks and Recreation Foundation is to cultivate a wider public interest in recreation and park facilities and to encourage appreciation of the public open spaces, in addition to supporting recreational activities, programs, & facility improvements. Since inception, the Foundation has donated an excess of \$735,000 to the Hawthorne community in support of these goals.

Proceeds from the 2024 tournament will be used to purchase a new digital marquee, and continue funding of Summer Swim Lesson Scholarships for identified children within the community.
