

# VETERANS HEALTH SOLUTIONS

## FIRST TO CARE

### Who We Are:

Veterans Health Solutions is a collective for veterans, dedicated to helping improve their quality of life through educational workshops for access to cannabis for medical purposes.

### Our Mission:

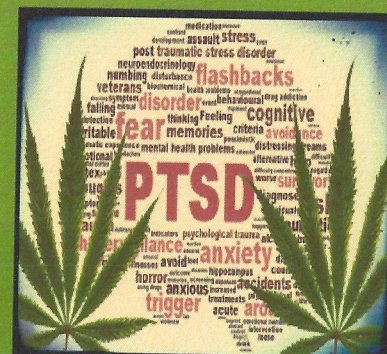

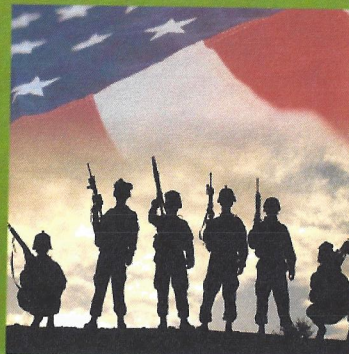

To educate and support the veteran community by offering holistic solutions to prescription based drugs and to provide consultation services about the VA claim process.

### Our Vision:

To raise awareness and provide VHS members with guidance on the availability of cannabis services and the proper development of the VA claim process.
