Tuition Fee Waiver for Dependents of Service-Connected Disabled Veterans

The College Tuition Fee Waiver for Veterans' Dependents waives mandatory system-wide tuition and fees at any State of California Community College, California State University, or University of California campus. This program does not cover expenses like books, housing and parking. To be eligible, the student must:

- Have a parent who is a disabled veteran (0% or more disabled); or
- Have a spouse who is service-connected (S/C) deceased or rated 100% S/C disabled.
- Be a child earning less than \$12,316 per year (student's income, not parents'). Note: there is no income limit for a spouse or children of S/C deceased or 100% S/C disabled veterans.
- Attend a California Community College, California State University, or a University of California school.
- The student must meet the in-state residency requirements as determined by the school
- Provide proof of the student's relationship to the veteran such as a copy of a birth or marriage certificate.

To obtain complete eligibility requirements and assistance in applying for these valuable benefits, please contact your local **County Veterans Service Office** at <http://cacvso.org/> or your school's Veterans office.
