

## Greenline Home Program offers \$35K Grants to Qualified First-Time Homebuyers in LA County

Are you dreaming of owning a home?

Homeownership has historically been one of the most effective means for wealth building and financial well-being. However, due to longstanding challenges like the discriminatory practice of [redlining](#), this dream has been out of reach for many, especially in BIPOC communities.

To combat the historical injustices of redlining, DCBA in partnership with Neighborhood Housing Services of Los Angeles County (NHS) launched the [Greenline Home Program](#).

This initiative offers a \$35,000 grant to assist with down payments or closing costs towards the purchase of a home. Our goal? To level the playing field in homeownership and open doors for communities that have been historically marginalized.

Who can apply?

- First-time homebuyers living in Los Angeles County.
- Residents with [low to moderate income](#)
- Residents living in [high-/highest-need areas](#)

Discover if you're eligible and learn how to apply at [dcba.lacounty.gov/greenline](https://dcba.lacounty.gov/greenline)
