## Groundbreaking Ceremony For North East Hawthorne Mobility Project

City of Hawthorne's Public Works Department held a ground breaking ceremony on Feb. 13th for the North East Mobility Improvement Project. The top priority for this project is to improve safety; including upgrading all ramps to ADA, resurfacing all the asphalt, driveway improvements, sidewalks, curb and gutter. In addition, over 500 parking T's, re-stripping, and 500,000 square feet of new pavement will also be upgraded. This project is being funded mostly through the Measure M grant and is expected to be completed by December 2024.

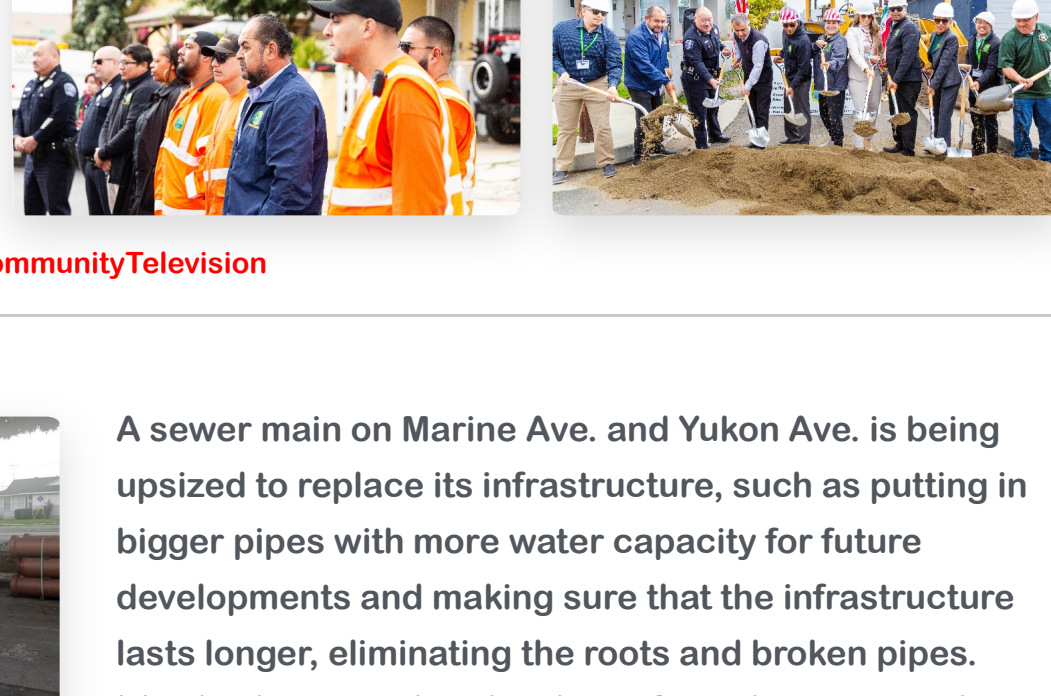

For questions or concerns, call Public Works at 310-349-2980.

## Sewer Main Improvements

A sewer main on Marine Ave. and Yukon Ave. is being upsized to replace its infrastructure, such as putting in bigger pipes with more water capacity for future developments and making sure that the infrastructure lasts longer, eliminating the roots and broken pipes. It's also being updated with reinforced concrete. The project is expected to be completed by March.

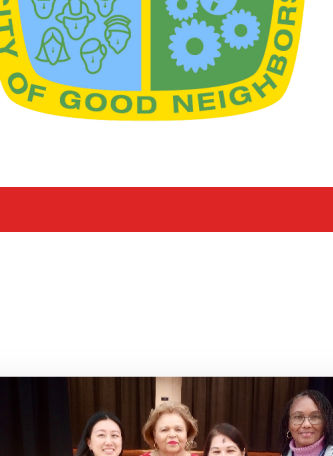

As of now, drivers should avoid going through that construction area Monday through Friday from 7:00am to 3:30pm.

## Senior Valentine's Day Dance

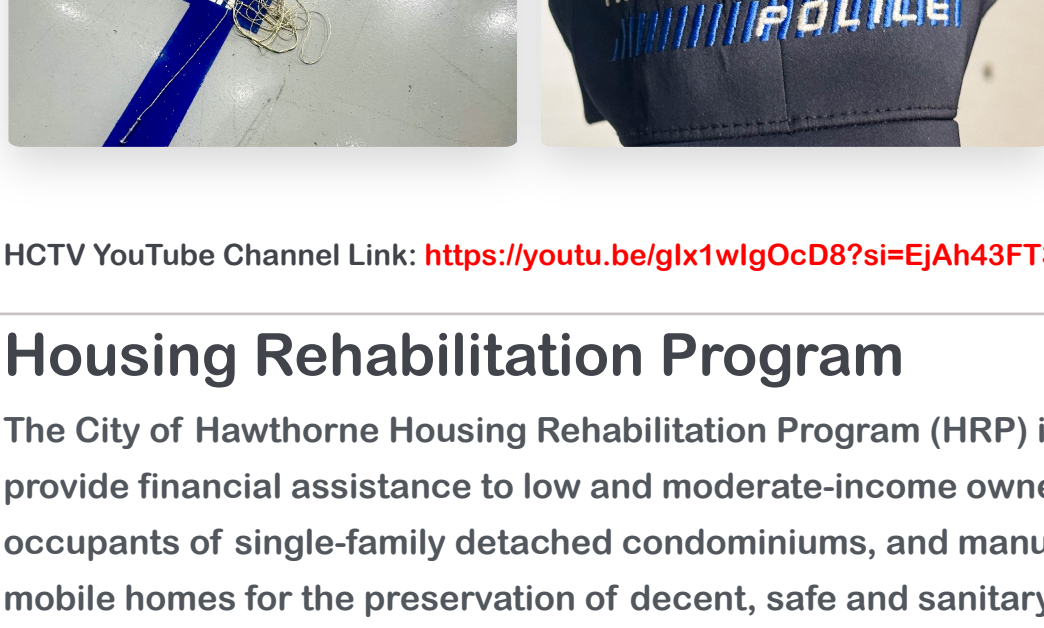

Over 100 senior citizens gathered at Hawthorne Memorial Center for the Senior Valentine's Day dance. The dance gave all seniors an opportunity to mingle, dance and enjoy an afternoon out. The Senior Center also brought various services and informational booths to the event, and were also provided blood pressure checks courtesy of Los Angeles County Supervisor Holly J. Mitchell's Office.

During the event, the City was also recognized by LA County Supervisor Holly J. Mitchell's office for their efforts in planning this event for Seniors.

## HPD BolaWrap

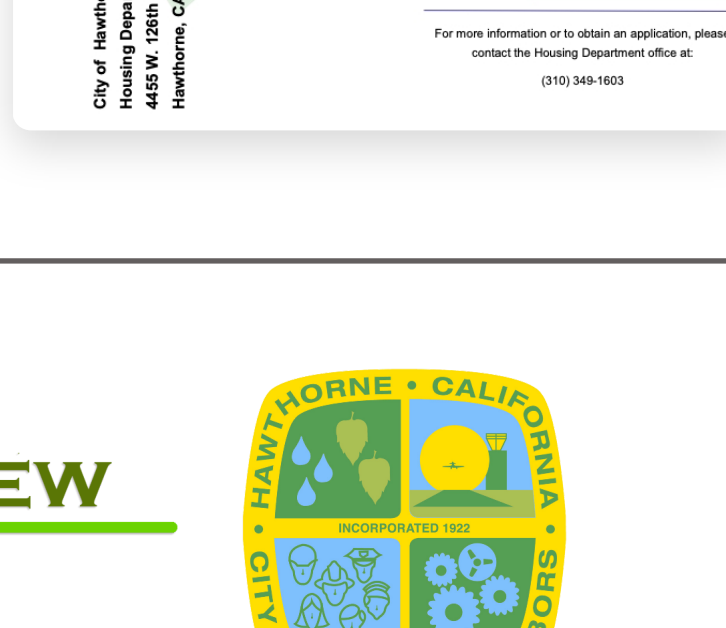

The Hawthorne Police Department demonstrated a new tool in their belt that helps expand their crisis intervention techniques with new technology. The BolaWrap is a remote restraint solution that proactively helps prevent escalation and reduces the use of force by deploying a cord to restrain non-compliant individuals. This device launches a 7.5 Kevlar cord from a range of 10 to 25 feet, that then wraps and hooks onto the subjects clothing.

HPD officers say it's been an effective new tool for them since fall of last year.

## Housing Rehabilitation Program

The City of Hawthorne Housing Rehabilitation Program (HRP) is to provide financial assistance to low and moderate-income owner-occupants of single-family detached condominiums, and manufactured or mobile homes for the preservation of decent, safe and sanitary housing; to correct hazardous structural conditions; to make improvements considered necessary to eliminate blight; and to correct building and health code violations by awarding grants or loans. All properties to be repaired must be eligible residential properties located within city limits of the City of Hawthorne. Grants and loans under this program are available to assist eligible households meeting 80% of Area Median Income adjusted for household size as promulgated by HUD.

## Love Joy Foundation: Pets of the Month

The Love Joy Foundation is a non-profit organization that began working with the City in 2020, as a more cost effective vendor than other organizations to provide animal sheltering services to the City of Hawthorne. The Love Joy Foundation has provided sufficient sheltering services and has provided an opportunity for the City's Animal Control program to have more control over intake procedures during normal business hours. With that, we would like to introduce some of the pets they have for adoption! Take a look at some of the dogs currently available. Click on the links for more information of each individual pet that's ready to go to their new home!
