## Parks Programs

The Hawthorne Community Services Department has kept kids busy this summer at many city parks with their Summer Park program. The program for kids provides activities and crafts, a free lunch and recreational games as well. They are held near the park's wading pools for kids to also have a chance to cool off and have some additional fun.

## B & R Burgers 30th Anniversary

## Concert/ Movies in the Park

This July the City of Hawthorne held their first ever Concerts in the Park Series with three Fridays of live music at Hawthorne Memorial Park. Each Friday in July a different genre of music performed for residents to enjoy. The concert series also included a bounce house, food vendors, and ended the night with Movies in the Park, which has been ongoing thanks to the [#collaboration](#) with our Hawthorne Police Department.

It was a perfect way for families to enjoy the nice weather and spend some family time outdoors and quality time with your City of Good Neighbors!

Those that attended were able to enjoy different flavors of ice cream and give our seniors in the community an event to come together and socialize.

## Zela Davis Groundbreaking Ceremony

The Zela Davis Renovation Project Groundbreaking ceremony held on July 23rd at Zela Davis Park celebrated the beginning of many changes coming to this park. Many were in attendance for this historic time, as now this park goes through many renovations and new additions including a new bathroom and exercise area, updated playground and basketball courts and much more. The entire project is being funded through grants and many other additional sources. This park is one of many throughout the city that is being revamped. City staff are also currently in the process of preparing for the renovation of two additional city parks in the near future as well; Ramona and Eucalyptus Park.
