

2024 Holiday Construction Moratorium

To support Hawthorne's businesses and reduce traffic congestion during the peak winter holiday season, the City of Hawthorne implements a yearly Holiday Construction Moratorium. Unless specifically approved by the City, all construction and maintenance projects shall be terminated during the holiday season. The 2024 Holiday Construction Moratorium will go into effect during the following days:

- Saturday, November 23, 2024 to Sunday, December 1, 2024
- Saturday, December 21, 2024 to Wednesday, January 1, 2025

Any construction activities that require a traffic lane closure on streets and/or sidewalks are temporarily prohibited throughout the entire City during this time. All existing street work shall be back filled and paved and all barricades and barriers shall be removed from all travel lanes.

2024 Holiday Moratorium Exemption Procedures

The City of Hawthorne will grant an exemption for emergencies where the construction project will address issues that pose an immediate threat to property damage, personal injury, or loss. Emergency work or repairs must be reported to the City of Hawthorne Public Works Department.

If you have any questions, please contact the City of Hawthorne Public Works Department at (310) 349-2980 or pubwks@cityofhawthorne.org. Your cooperation during this special period is appreciated.
